The Aboriginal Gathering Place at Emily Carr University of Art + Design is hosting an Indigenous Art Market on June 8, 9, and 10 in Zone 2 of ECU's exhibition commons on the 2nd floor.

Successful applicants will have the opportunity to join us for open studio hours which includes access to materials available in the Aboriginal Gathering Place for creating your own projects. Correspondence about open studio times will be sent via email.

An article about the market will be published prior to the event date to reach community beyond ECU. This is our very first market and we will get the word out as best as we can. We hope to have this become an annual event.
